# EXTRACT DATA FROM YOUR

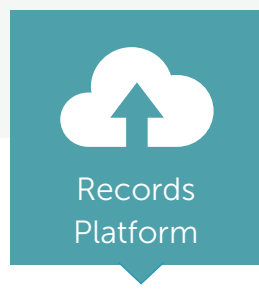

We have a core belief at Ripcord: you can, and should, digitize everything.

And we're going to make it easy for you. Our all-inclusive digitization service is priced so competitively that you can finally digitize all of your records.

Ripcord makes it easy for you to put your records to use. Our all inclusive records access service, includes:

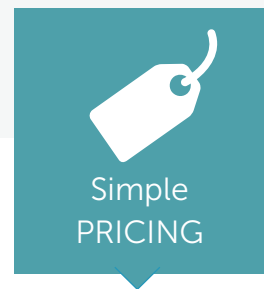

- All box shipping and handling
- OCR and meta-tagging at time of scan
- Smart indexing
- Ripcord Voyager RMS
- Box returns or shredding

With Ripcord's all inclusive service, you get unlimited cloud storage and unlimited seats on our secure online records management system (RMS). Ripcord's RMS has key features such as fast search, compliance and advanced security. As soon as your records are uploaded, you can put them to work.

We provide tracking information and meta-data on your records throughout their life cycle. Ripcord Voyager RMS has security features like encryption in transit and at rest, SSO, Active Directory integration, data redundancy and audit logging for admins. It is also FISMA, Sarbanes Oxley, SSAE16, PCI/DSS and HIPAA compliant.

Nobody likes being nicked and dimed. That's why we offer a simple all-inclusive monthly subscription for Ripcord's digitization service.

**All subscriptions include:**

- Digitization
- Ripcord RMS
- Secure shredding or box returns
- Shipping and handling

**Starting at \$0.004/Page/Month**

About Ripcord

Ripcord is making it easier than ever for companies to go paperless. Ripcord uses the same technology employed by Google for the self-driving cars to automate your records management. Using automation allows us to keep costs low and that's why our monthly records management subscription starts at \$0.004/page/month - a fraction of the cost of other records management solutions. Ripcord now has over 1 billion records under management from Fortune 100 companies and global institutions that realize the value in modernizing their records.
